Supporting documentary evidence of the functional office should be submitted alongside the quotation. **Offers lacking this documentation will be summarily rejected without further communication. Format for MFA is enclosed in Buyer Added Bid Specific ATC (Format A)**

2. The bidder is required to provide valid documentation to establish their status as a Manufacturer, accredited agent, or authorized distributor, which must be submitted alongside the technical bid. The Manufacturer's name and the country of origin of the materials offered must be explicitly specified in the Manufacturer's Authorization Form. Additionally, the Manufacturer's Authorization Form must remain valid for a minimum period of one year from the date of issuance.

3. If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM. In a bid, either the Indian Agent on behalf of the Principal/OEM or Principal/OEM itself can bid, but both cannot bid simultaneously in this tender. One Principal/OEM cannot authorize multiple agents simultaneously for the requirement as per this tender.

4. All Provisions of Drugs and Cosmetics Act, 1940 and Rules (including Medical Device Rule 2017) made there under as amended till date will always be applicable. This will include all notifications issued by Central Drugs Standard Control Organization (CDSCO), Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP). In case the firm quotes imported brands on behalf of their foreign principals / manufacturers which comes under the provisions of Drugs & Cosmetics Act & Rules, CDSCO certificate/license issued by CDSCO must be attached. In the case of indigenous item (s), the certificate issued by the State Drug Controller may be attached.

7. The contract quantity is based on the average consumption of previous years. However, the Institute does not commit to a minimum usage of items during the contract period. It is not feasible to predict the exact quantity required in advance, as the specific item and size needed can only be determined during the medical/surgical procedure according to the patient's clinical needs and treatment choice.

8. Although the contract outlines a delivery timeline spanning from 1 to 365 days, the successful bidder must manage and adjust the supply schedule to align with the Institute's specific requirements. Accordingly, a declaration confirming this commitment must be uploaded with the technical bid. Failure to provide the declaration will result in the offer being rejected without further communication.

The Institute shall not assume responsibility for these items or their usage during the contract period. Payment will be processed and released only after the items have been administered to patients and the department has provided confirmation of their use. 12. The bidder shall declare that the goods supplied under this contract shall be the best in quality and workmanship and shall be strictly in accordance with the specifications and particulars contained in the GeM contract. Any fungus or foreign materials or other particles found in the item will lead to rejection of supply and other suitable actions. The successful bidder should guarantee that the goods would continue to conform to the description and quality aforesaid for the period of contract. Notwithstanding the fact that SCTIMST may have inspected and approved the said goods, at any time during the aforesaid period of contract, SCTIMST will be entitled to reject the said goods or such portion thereof as may be discovered not adhering to the said description and quality. On such rejection the goods will be at the Suppliers risk and all the provisions herein contained relating to rejection of goods shall apply. The supplier if so called upon to do should, replace the goods or such portion thereof as is rejected by SCTIMST. Otherwise the Supplier shall pay to SCTIMST such damages as may arise by reason of the condition herein contained.

13. In case the supplier defaults in the due supply of all or any of the articles correctly and promptly, SCTIMST is at liberty to procure the same from elsewhere without cancelling the contract as a whole. 14. The successful bidder shall not assign or make over in part or wholly, the contract or the benefits or burden thereof. The supplier shall not underlet or sublet the execution of the contract or any part thereof. SCTIMST will have absolute power to refuse such consent or rescind the consent at any time. The supplier shall not be relieved from his/ her obligation, duty or responsibility under this contract, even if consent to let or sublet is given by SCTIMST.

15. If at any time during the course of the contract, it is found that any information furnished by the supplier to SCTIMST, either in this tender or otherwise, is false, SCTIMST may put an end to the contract wholly or in part and it shall be lawful for SCTIMST to forfeit the amount deposited by the supplier as security deposit and cancel the contract. It shall be lawful for SCTIMST to set off any loss or expense, cost or damages, sustained or incurred due to the cancellation of the contract from and out of the money for the time being payable or due to the supplier.

16. The rate offered by the bidder must be equal to or lower than the rate offered by any Central or State Government Organization, PSU, or Public Listed Company in Kerala State for the same quantity specified in the bid document. The bidder is required to submit an affidavit confirming compliance with this condition along with the technical bid; failure to do so will result in the offer being rejected without further communication. **The affidavit format (Format - B) is provided in the Buyer Added Bid Specific ATC**
